POOL:

Jacque Borzekofski was present to request that the swimming pool and concession stand at the pool accept credit cards. She has checked into the square system and there would be a 2.6 percent fee and a 10-cent transaction fee, per transaction. These fees would be passed on to the customer.

They would need an I-pad. The cost of the system, stand & I-pad would be \$429. It would be an additional \$129 for a terminal in the bath house for gate passes. Bryan asked if we could pass these costs on to the customer to re-coop our fees and they did not think that was an option.

There is a hole in the drop slide, and someone is coming to fix it and wax slides before they put water in the pool.
